

Parents Speak

I enrolled my daughter KHUSHI KAPADIA (JEE ADV 2018 - AIR 106) for FIITJEE RSM - 2 year correspondence program on recommendation of previous toppers from our city. Study material, test papers for practice at home, time to time preparation guidelines from FIITJEE experts helped a lot. This year online mode for advance was a new thing but thanks to FIITJEE online AITS, she got enough practice. I really appreciate prompt uploading of AITS test papers & solutions which helped her to do after test analysis.

As a parent I used to prepare a list of her weak & strong topics and strategically ~~managed~~ revision schedule.

I strongly recommend FIITJEE correspondence to all those who want to secure good AIR in JEE Advance.
