### How I did it?

I am Lavish Gupta, student of FIITJEE Rankers Study Material Program (RSM) for IITJEE-2018

I came in contact with FIITJEE during IIT Jee interview and decided to opt for RSM program.

My family supported me in all aspects, they provided a good environment for preparation.

The study material and AITS also helped a lot by providing good quality problems.

All in all, I would definitely recommend RSM to any student preparing for JEE
