For my son, Siddhant Choudhary I chose FIITJEE correspondence program (RSM & AITS) for preparation of JEE' 2018 because it is very difficult to crack this type of exam without proper study material and guidance.

RSM and AITS of FIITJEE were very useful for my son and helped him a lot in securing AIR-61 in JEE (Advanced) 2018.

I recommend to the students preparing for JEE to choose AITS & RSM of FIITJEE for their preparation so that they can achieve their target.
