

How I did it?

Hello, I am Jainesh Mehta. I was always clear on my mind that being an IITIAN is what I wanted to achieve, my parents were also in full support of my decision, I had enrolled myself for the SCP in FIITJEE and it helped me get a deeper understanding of the concepts. I was always very good in maths but physics was what I lacked in but repeated tests and regular attempts of AITS helped me greatly in getting ~~for~~ ready for JEE Advanced. The CSCP cum doubt clearing sessions also helped in eliminating all doubts I had ~~of~~ regarding the tests that ~~were~~ were conducted
