

I am Purushottam Sharma. I was enrolled  
in AITS test series. The tests are  
really good and advanced level. They  
comprise que. of all the topics and hence  
are very good for revision. They  
helped ~~boost~~ my marks as well  
as morale. I got to see real improvement  
in my performance after attempting them.  
I sincerely thank the entire FIIT JEE  
team for their support during my preparation  
helping me get into my desired IIT.
