

FIITJEE

REWARDS

The Cost of education is increasing rapidly even though education has always been out of bounds for the poor and underprivileged sections of the society. FIITJEE took a leap in helping children from extremely backward & poor backgrounds to prepare for IIT-JEE (JEE Main & Advanced) by providing them with Financial assistance. This philanthropic initiative in the form of FIITJEE's Fortunate 40 bore very appreciable results as it empowered many Students from disadvantaged segments to realize their dreams.

A glimpse of such a Life Changing Success Story :

M.S.K. Manohar, All India Rank - 5 in JEE Advanced 2018 !

Manohar came from a very humble background. His father works as a Tailor in a small village in Vijayawada, Andhra Pradesh. He was a studious child who, despite all odds, cherished a dream to be an IITian. Having meagre income, his parents could not afford JEE coaching for him. That's when Manohar saw a ray of hope in the form of FIITJEE's Fortunate - 40, a social initiative that provides Free Education to talented Students who belong to underprivileged sections of society. Through Fortunate - 40, Manohar got a life changing opportunity to join FIITJEE's PINNACLE - Two Year Integrated School Program. During his 2 year journey with FIITJEE, Manohar's talent was nurtured under the apt guidance of FIITJEE faculty. In addition to that, healthy classroom environment, unrivalled academic inputs and top notch study material of FIITJEE empowered Manohar to deliver exemplary performance in JEE Advanced 2018. And today whole of India recognizes M.S.K. Manohar as the Student who secured All India Rank - 5.

Our beloved Nation continues to struggle with various problems, prominent ones being; the soaring population, environmental degradation & diseases, poverty, and ineffective school education where a large population of children are being deprived of that as well. Having noticed a great zeal for entrepreneurship amongst Students today, FIITJEE gives astronomical sums as Cash Rewards to its Students registering notable success in JEE Advanced, JEE Main, Olympiads, KVPY, XII Board, NTSE & Jr. Olympiads.

These Rewards enable Students to support their Parents financially even when they are studying in IITs. What's more, it also provides enough seed capital for their startup ventures.
